

Lloyd's Register EMEA

INDUSTRIAL QUALITY SCHEME APPROVAL CERTIFICATE

This certificate is issued to:

**NedZink B.V.,
Budel - Dorplein
The Netherlands.**

The above works have been specially audited by Lloyd's Register EMEA for approval under the Lloyd's Register EMEA Industrial Quality Scheme for Product Certification by Surveillance of Quality Systems, which includes the requirements of ISO 9001:2008.

The systems and procedures at these works covering production methods, inspection and testing, quality control and general standards of workmanship have been examined and are approved for the manufacture of the under-noted components.

This approval is conditional upon the items manufactured and certified under this Quality Scheme being in accordance with the relevant requirements of Lloyd's Register EMEA.

This certificate relates solely to:

The production of rolled and pre-fabricated Zinc-Copper-Titanium products, including materials testing, for use in the building industry. The mentioned products meet the requirements of NEN-En-988, including the complementary requirements of NedZink NTZ ®.

Approval No.: QIS 122

Date of Issue: 21st March 2017

Date of Expiry: 31st March 2020

A handwritten signature in blue ink, appearing to read 'N. Tijou', positioned above a horizontal line.
