CERTIFICATE OF APPROVAL

This is to certify that the Quality Management System of:

KME Germany GmbH & Co. KG
Klosterstr. 29, 49074 Osnabrück
Germany

has been approved by Lloyd's Register Quality Assurance
to the following Quality Management System Standards:

DIN EN ISO 9001:2008

The Quality Management System is applicable to:

Development, production and sales of uncoated as well as pre-insulated tubes and fittings of copper and copper alloys; extruded and drawn products of copper and copper alloys; copper anodes; rolled products in form of strip, sheet, blanks of copper and copper alloys; copper strip, sheet and profiled sheet with special surface treatments; development, production and sales of stamped, formed and assembled parts of copper and copper alloys, aluminium, tin and steel with and without surface treatment; multitube bundles; moulds and crucibles; semi-continuously cast hollow cylinders of copper alloys; current-carrying components, forged or deep drawn or soldered/brazed/welded machined components of copper and copper alloys. Physical and chemical testing of own products.

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.
