About SIG Zinc & Copper

SIG Zinc and Copper is fully owned by SIG plc, a FTSE 250 organisation that focuses on delivering market leading solutions to the construction industry. We strive to be at the forefront of designing, supplying and guaranteeing exclusive 21st Century roofing solutions.

Teaming up with market leading manufacturers including NedZink, Steadmans and Metal Solutions, as well as a national supply chain, enables us to offer a complete and impartial design and supply service for both new build and refurbishment projects.

Key services include:

- Fully conversant technical team
- Advice on structural design
- Fabrication of bespoke designs
- Supplying all the materials on time
- Relationship with and understanding of market leading manufacturers
- Professional Indemnity Insurance and full system guarantees

To request your NedZink samples please contact our technical office on **0844 443 4772** or email **info@sigzincandcopper.co.uk**
