About SIG Zinc & Copper

SIG Zinc & Copper is part of SIG Exteriors, a leading division of SIG plc, a FTSE 250 listed company and the UK's market-leading, specialist supplier to professionals in the building and construction industry. As part of SIG Design & Technology, Zinc & Copper delivers a complete and impartial design and supply service built around enabling optimum roof performance of its metal roof and façade products. Our blog at <http://www.sigzincandcopper.co.uk/blog/> explores some of your common problems in roof design and system choice.
